At the end of September we took part in cross country. Cross country was really fun. Conor Sayles came first out of all the year 4 boys. Last year we came eighteenth but with a massive difference we came eleventh this year. Which is fantastic.

Well done to KS2 for being in eleventh place. We are also proud for Conor, Emily, Oliver and Klea because they came in the top 10. Special mention to Liliane and Fidel for their great effort too. We are very happy.

The results were amazing and everyone is proud of what kS2 have done, it was a massive achievement for the whole school. We came 11 out of loads of schools in Camden wowwwwwwwwwwwwwwwwwwwwwww

5 top things to know about Minecraft!!!!!!! by Rohan, Sapphire

1. **DO NOT DIG STRAIGHT DOWN!!!!!!** You will not know if you’re above a long drop or lava pit.
2. Double slab blocks up to create fireproof blocks. Great for griefer-proof houses.
3. Crouch to hide your name tag. Great for pvp matches!!!!!!
4. Fence gates, ladders and signs count as blocks. Good for secret bases underground.
5. When taming ocelots, use clownfish because they restore very little health and have no other use.

Comic review! by Rohan, Sapphire

In this particular review, I am focusing on a comic called Archie. It is about the adventures of a high school boy called Archie and his friends Jughead, Betty and Veronica. I like this comic because it’s hilarious and the characters have unique personalities; which I favour very dearly.

I recommend these comics to people who like:

big ego, clumsy claps, going on shopping sprees, being sweet, baking and cooking and, being lazy and eating burgers.

**The Great Kitten Cake Off by Anna Wilson**

I recommend this book to people who adore kittens and love the delicious taste of raspberry sponge. This book will make them laugh.

**Clever Polly and the Stupid Wolf by Catherine Storr**

I recommend this book to people who love to explore the woods and are clever and smart. This is not just a fairy tale. P.S. Do not worry about the wolf – he always comes back…

**The Last Battle by C.S. Lewis**

If you love battling and finding out secrets, this is the right book for you. Though it is the last one in the famous Narnia series, it is the best of all, because it is all about bravery and curiosity.

**Ever After High 1: The Storybook of Legends**

This book is perfect for people who think that it is unfair that people have to follow their destiny. A story of familiar fairy tale characters who don't follow the script – and this leads to chaos for the whole of Ever After High…

**Beast Quest 11: Arachnid, the King of Spiders**

You will like this book if you are not afraid of spiders! Otherwise beware… It’s about an enchanted spider who can’t stop himself from eating people and destroying nature. This exciting story will help you to experience the bravery and skill of being a hero.

**The Famous Five: Five on Finniston Farm**

This book is part of the Famous Five Series where four intrepid children and their faithful hound go on exciting adventures and solve mysteries. I advise you to read this one if you are a particular fan of mysteries and like the idea of going out on your own with no grown-ups and working out problems.

Hosts are out of the World Cup!

On Saturday 3rd October, England played Australia in the rugby world cup. If England lost this match, they would get knocked out! The pressure was on and the emotions were running high.

Australia took an early lead, but then England scored a penalty kick. At half time, Australia were winning. During the second half, Australia increased their lead. Unfortunately, after 80 minutes the game finished with Australia winning. England had been knocked out! They became the first hosts to get knocked out of the cup in the group stages. The final score was 33-13. Congratulations to Australia.

Cosmo finds his “purrfect” match!
by Violet, Amber

On the 10th of May we found four, week old kittens and their mother behind our shed.

But they were not safe! One dark night a menacing fox crept along our garden wall. Then he attempted to pounce upon the kittens but this time he was not successful! The next day the frightened mother cat took one kitten and abandoned the rest behind the shed. The mother cat did not return and we were unable to catch her. Left with three abandoned kittens our only option was to take them to Battersea Dogs and Cats home.

Battersea Dogs and Cats home are the only rescue centre who will never turn an animal away. They have a very important job, taking care of 8000 cats and dogs a year.

The kittens were bottle fed until they were old enough to eat. We collected Cosmo on the 11th July when he was ten weeks old. The other kittens had also found homes and were also leaving Battersea that day.

Cosmo is now a playful outgoing and lively six month old kitten. He is now firmly part of the family. If you're thinking of getting a kitten, head straight to Battersea!

Never give up and aim high!

By Miss Bokuniewicz

Last Sunday I took part in the Kingston Run Challenge 2015 and it was great fun! There were three distances to choose from: 8.2, 16 or 24 miles. I chose 8.2 miles as this was the longest distance I would have ever run!

I trained for it a little bit weeks before and was very nervous before the actual run. Alongside all the other runners, my two friends were there too! They are a bit faster than me so when we began the run I got left behind after the second mile. I could still see them running not far from me so I hoped that right at the end I would be able to catch up and surprise them.

And you know what? I did! On the last mile, I got very excited that I still had plenty of energy left and I sprinted to them. They jumped with joy when they saw me and we crossed the finish line together holding hands. This made me realise that nobody should ever give up on what they dream about because if you really want to achieve something you will...just believe in yourself! 😊

The atmosphere at the event was amazing and all the runners congratulated each other at the end.

A big thank you....to everyone who made this edition possible. We really appreciate it and we really hope you all enjoy reading it.

If you would like to write or draw something for the next edition you can speak to your Class News champion, put it in the box in the library or email it to newspaper@emmanuel.camden.sch.uk. We need you!
