Nursery Intake - 2025

On the day the Admissions Committee sat there were forty-one applications. No applications were received under route 1; one application was received under route 2; five (5) applications were received under route A and thirty-five (35) applications through route B. The net capacity for Nursery at that time was 26 places. One place was allocated under route 2; two-thirds of remaining places could not be allocated under route A as there were not sufficient applications but five (5) places were allocated under route A and nineteen (19) places were allocated under route B (see admissions criteria). The twenty-sixth applications were for multiple births so the school was unable to offer out the places as this would entail employing another member of staff to meet the strict ratio. Late applications have been received subsequent to the first round of offers being made.
