EMMANUEL SCHOOL DRAMA CLUB

**LED BY WEST END PROFESSIONALS WHO HAVE
WORKED AT TOP LONDON STAGE SCHOOLS**

Our after-school drama club is an exciting, creative space where children explore ensemble storytelling, physical theatre and singing, while building confidence and enjoying themselves. We place a strong emphasis on teamwork, imagination and having a lot of fun in a supportive environment.

Sessions are taught by West End professionals who have a passion for working with children and experience teaching at leading London stage schools. Each term, children come together to create and perform a play with singing, ending in a performance for parents to enjoy.

Our after school clubs and holiday camps have been a big hit at schools across North London, and we are very excited to be bringing the club to Emmanuel C of E Primary School.
