Changes to spelling this year

- This year we are introducing a new spelling programme for KS2 called **‘Essential Spelling and Word Knowledge’**.
- The programme builds upon the children’s phonic knowledge and skills gained in KS1
- Spelling lessons will be held two to three times per week and the children will have a dedicated work book to support their learning, which includes exercises such as dictation.
- **Weekly lists of spellings to learn will no longer be sent home and weekly spelling tests will be replaced with a termly test to assess and close any gaps in their knowledge.**

Homework KS2

We use Atom Learning for homework for children in Key Stage 2.

Reading for pleasure

Children should read for at least 20 minutes every day at home. Please engage with your child's reading by asking them questions about their understanding of the text.

When your child has finished their book, they will add it to their Reading Journey Map in class.

Multiplication tables

Children should practise their multiplication tables throughout Key Stage 2, ready for a weekly test. End of year expectations for learning the multiplication tables are below:

Year group	Expectations
3	Recall and use multiplication and division facts for the 10, 2, 5, 3, 4, 6 and 8 multiplication tables.
4	Recall multiplication and division facts for multiplication tables up to 12 x 12.
5 & 6	Recall multiplication and division facts for multiplication tables up to 12 x 12 with great fluency and speed.

Maths Homework

Children will be given a variety of tasks to consolidate learning that has taken place in class, including reasoning and problem solving. This will be set on Atom Learning.

English Homework

Children will be given a variety of tasks to consolidate learning in class including spelling, punctuation and grammar or reading comprehension activity. This will be set on Atom Learning.

Key Stage 2 Notes

If homework is not handed in or is incomplete, children will be required to attend "Homework Space" in their lunchtime to complete this homework, unless there has been communication from a parent. If homework has not been completed or handed in 3 times in one half-term, parents/carers will be contacted by the class teacher.

Any questions?
