Dear parents and carers,

Celebrating the coronation

The British weather didn't dampen our spirits this afternoon as we held a special tea party to celebrate the King's coronation. All children showed our school value of service by helping prepare for the celebration; from decorating cakes to making bunting to preparing sandwiches; there was a wonderful atmosphere in school for everyone to enjoy. Today, the children will be going home with a special commemorative medal to celebrate the King's coronation; thank you to the PFE for organising this and we are very much looking forward to their celebration next Saturday, 13th May from 1pm in the playground.

Year 4 and 5 secondary transition meeting

There is a meeting on secondary school transfer for parents and carers of children in years 4 and 5 on Monday 15th May, via Zoom, from 5-6pm. Please see the letter emailed earlier last week for more details and if you would like to attend this event, register your interest by emailing the school office. The zoom details will then be shared with you the day of the meeting.

Swimming gala

Well done to our Key Stage 2 swimming team for their fantastic effort in the Camden Schools Swimming Gala at Swiss Cottage last Friday. Thirty children took part in a range of activities and competitive races against fifteen other Camden primary schools. Many medals were won and overall we came 4th! A massive congratulations to all who took part and thank you to Mr Edwards for organising this event.

Attendance

Our school target for attendance is 96%. This week, well done to Year 2

Finally, good luck to our year 6 pupils who next week will be sitting their SATs examination. Whatever the outcome, we are so proud of their hard work, resilience and positive attitude towards learning. **There will be a SATs breakfast club next week free of charge from 8.15am for all our Y6 pupils.**

Wishing you and your family a lovely bank holiday weekend.
