(JOHN 10:10)

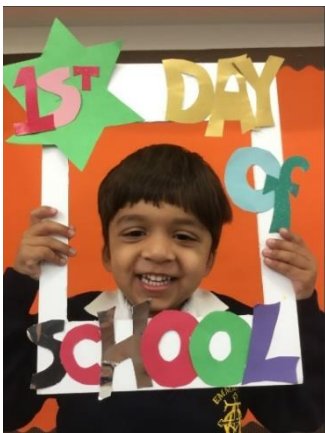

Weekly newsletter  
Friday 20th October 2023

Dear parents and carers,

What an amazing half term we have had! I'm so proud of all the children, who have settled into the new school year brilliantly, and I'm also proud of our amazing staff team, members old and new, who provide such excellent support for all our learners.

### Superhero Day

Today we celebrated Superhero Day, in honour of Krish Kent. As well as dressing up so brilliantly, we read his favourite book, Paper Dolls, and shared a circle time in each class. Please see pictures below:

### It's a Shellebration!

This year marks 25 years since our amazing Senior Admin Officer, Shelley Lubert, started working at Emmanuel. We had an afternoon of celebrations yesterday, where some children read some lovely poems and prayers, and gave sweet and very thoughtful gifts. Thank you to all those children, and to parents to donated to the very generous 'whip round'. Shelley, we appreciate all your hard work and efforts, and are so grateful to have you on our team.

### Key Dates

The calendar on our new website has all the keys dates that you'll need. Please visit it [here](#), and there is also the option to subscribe to it, to have it link directly in your phone's calendar.

I must apologise for getting a date wrong – we finish for the term on **Thursday 21<sup>st</sup> December at 12.30**. Please find below a list of other key dates for Christmas:

### **Communications**

As you will have seen from my email, we are changing the way we communicate with you. ParentHub will be the main communication tool between school and parents. We will no longer use the Teacher2Parents messaging service, and as such you are free to delete the app from your phone.

The benefits of ParentHub are many. It is much more user-friendly for both the school and the parents, and provides much better value for money than our existing provider; we estimate that we will save up to £1000 per annum by using Parent Hub. It also integrates with our existing parents' evening booking software, and as a large company, they are seeking to work with other services that schools use to help streamline our services to you.

It is important that you download the app, as in-app messaging this will be the main way we communicate, not text messaging.

Once you have downloaded the app, you will enter your phone number and child's date of birth, which will then make you a part of our parent community. Please be assured, you are not able to enter the wrong date of birth and be connected to the wrong child, and no one who is not a parent at school can be connected to a child. There are channels for the whole school and each year group, which you will automatically be connected to, and channels for all clubs as well, which you can elect to follow.

Thank you for your cooperation and support.

## Curriculum Focus – Maths

### Nursery

We have been reading Seaweed Soup by Stuart J. Murphy where turtle sets the table for his friends when they come to have lunch. Today we used our lunch trays and copied the sets. We were also able to identify what was not a set.

### Reception

In Reception we have been comparing objects based on their size, mass and capacity. The children did great work ordering objects based on their size.

### Year 1

In Year One we have been learning all about part whole models! We used the part whole model to write addition sentences in different ways.

### Year 2

In Year 2, we are learning to count in 3s this week. Using our number grids, we circled all the numbers we say when we count in 3s.

### Year 3

This week we used place value counters and grids to add 3 digit numbers including exchanging 10s.

### Year 4

In Year 4, we have been learning about rounding to the nearest 10,100 and 1000. Here you can see children reminding their partner about the 'golden rule' when rounding.

### Year 5

In Maths we have using place value

### Year 6

Calculate  $589 \div 19$

19	38	57	76	95

In Year 6 this week, the children have been learning about short and long division. The children were taught how to use factors of numbers to help with the divisor.

Superhero Day !!!

## A word from our vicar

Dear Parents and Carers,

We have a few Emmanuel Church dates for your diary for the coming months.

**Saturday 28<sup>th</sup> October, 4pm-5:30pm.** Your kids are very welcome to join us at Emmanuel Church for an afternoon of Halloween crafts and games! We are also looking for adult and youth volunteers to help us run some of the activities. If you're able to help, please email Revd Trin: [vicar@emmanuelnw6.com](mailto:vicar@emmanuelnw6.com).

**Thursday 2<sup>nd</sup> November, 7:30pm: Commemoration of the Faithful departed**

This service is an opportunity to remember and give thanks for friends and family who have died. The service has a contemplative & reflective style and all are very welcome. If you would like your loved one to be remembered by name, please contact: [vicar@emmanuelnw6.com](mailto:vicar@emmanuelnw6.com)

### **Sunday 19<sup>th</sup> November: Daffodil Day**

We have a dream of a bank of daffodils, visible from the Green, in the Springtime. To help make this happen we are holding a 'Daffodil Day' after the 10.30am service on Sunday 19<sup>th</sup> November, and we need your help! Please bring a packet of daffodils and a little trowel so that you can plant your own ... we hope to welcome many children to help with the planting.

Coffee and cake guaranteed! With thanks from your Emmanuel gardeners.

### **Sunday 26<sup>th</sup> November, 10:30: Confirmation Service**

At our 10:30 service our acting Bishop, Bishop Jonathan will confirm a number of children from Years 5&6. We invite you to come and support your fellow pupils as they take this important step on their Christian journey.

### **A new opportunity for your child!**

I would love to involve the children more in the planning of our Monday Church services. To this end, we would like to start a worship planning group in school. If your child would like to meet with me once a half term to discuss ideas for our Monday Church service (this could involve music, themes, prayers, reflections, AV), please email me on the above address, or let Miss Roscoe know.

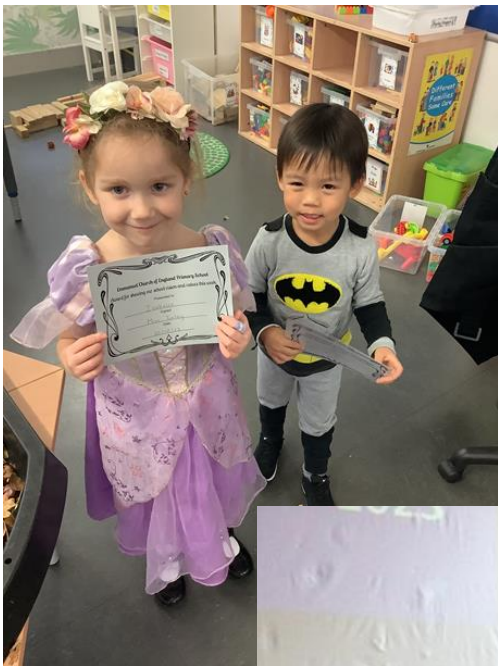

Revd Trin
