'Life in all its fullness'

(JOHN 10:10)

Weekly newsletter
Friday 12th January 2024

Dear parents and carers,

A warm welcome back to everyone after the Christmas holiday. I very much hope you had the opportunity to rest and recharge. We are all prepared and excited for the term ahead, looking forward to more deep learning, exciting trips and opportunities to get to know each other better.

Homework

We are relaunching our Homework Club this term for Key Stage 2. As you will know, Homework is set on a Friday and due in on a Tuesday (with any children who complete their homework by Monday receiving 5 House Points). It is our aim that children learn the discipline of understanding deadlines, in order to prepare them for the demands of homework at secondary school. Therefore, anyone in KS2 who does not complete their homework by Wednesday will be invited to Homework Club at lunchtime, where they can complete any outstanding tasks. This will be run by a member of staff.

Curriculum Newsletters

You will be receiving a newsletter from all teachers this week, outlining the learning that is planned for the coming term. Please also look out for your weekly round-up on Google Classroom, alongside the homework that is set, to tell you all about what has happened in class throughout the week.

Parent Survey

Thank you to all parents who completed the survey. There was so much positive feedback and some lovely comments, as well as some very well-considered points for improvement. The closing date for feedback is Wednesday, after which I will do some data crunching and present to you the findings of the survey. Please find it here: <https://forms.gle/Vu4hehPLuMBUCW9P8>

Sharing Assemblies

Years 1 to 6 will present a sharing assembly this term, with more details to follow about Reception and Nursery. We have chosen Wednesdays this time around, to share out the days that we are celebrating. We very much hope you are able to join us.
