**'Life in all its fullness'**

(JOHN 10:10)

Weekly newsletter  
Friday 15<sup>th</sup> March 2024

Dear parents and carers,

It's been a great week at school this week – it's getting warmer, and it finally feels like Spring is in the air! For Science week the children were treated to a special assembly, where they learned about the discoveries of different scientists e.g. Isaac Newton and Robert J. Van de Graaff. Our favourite bit was when he made Miss Aoki's hair stand on end!

### Parent/Teacher Consultations

Booking for the Parent/Teacher Consultations are live and close on Friday, 15 March at **9.00pm** at this link: <https://emmanuelce.parenteveningsystem.co.uk> . Please see the letter which was sent out via ParentHub earlier last week for more details.

### Summer Term Club Payments

The deadline for club payments for the Summer term is **Wednesday 20th March**. There is also an 'Emergency Contact Form' to fill out for each club online through your child's Scopay account. If you have any queries or difficulty making the payment deadline, please let the office know and we will endeavour to help. If your child is in receipt of Pupil Premium, please let the office know.

Supporting our pupils' Mental Health and Wellbeing  
All welcome - Parent/carer workshop

**Save the date!** Thursday 18 April at 2-3pm  
**Supporting children at home with big emotions -  
Zoom workshop**

Does your child struggle with their emotions at home? Do they have angry outbursts, tantrums, anxious episodes, show defiant behaviours, struggle with change or appear withdrawn? Sometimes it may feel completely out of the blue.

Our parents/carers are invited to our next Zoom workshop which will share information, ideas and strategies on how to support children who show emotional dysregulation. This includes:

- Understanding the Zones of Regulation framework and how we use it at school.
- How to use 'Emotions Coaching' to support children to understand and recognise their emotions, guiding them through reflection and problem solving to agree what they could do differently to ensure they make good choices in future.
- Discuss and share ideas that can help prevent big emotions: understand what's in their control and not in their control; setting boundaries for behaviour and knowing when it is the right time to have a conversation about their emotions and behaviours; challenging negative thoughts which can overwhelm them in the moment; and tips for positive wellbeing.
- Building resilience and coping skills to help with changes and events which can cause additional stress such as tests, assemblies, changes at home and changing schools.

If you would like to register for this workshop, please email Mrs Watkins, at [wellbeing@emmanuel.camden.sch.uk](mailto:wellbeing@emmanuel.camden.sch.uk) or let the office know.

# **Have you overEgged it?**

## **Are you Eggasperated by the volume of chocolate in your house? Are the kids over Eggcited? 🍫🍫**

**What?** This Eastertide, Emmanuel School is accepting donations of Easter Eggs (and long shelf-life Easter treats) for distribution to both the local food bank and the local Ukraine Hub.

**Where?** Drop-off is box at Reception in the Omega (Main School) Building

**When?** From today until the end of term.

**Why?** Easter is a major holiday for many Ukrainians but with nearly 1.2 million children now displaced, celebrations will be muted for so many. The local Hub (at 02 on Finchley Road) will be driving our donated eggs to displaced children in time for Easter. We will also be donating Easter eggs to our local food bank, where families with children can go to receive the support they need.

**Let's make some children eggstatic!**

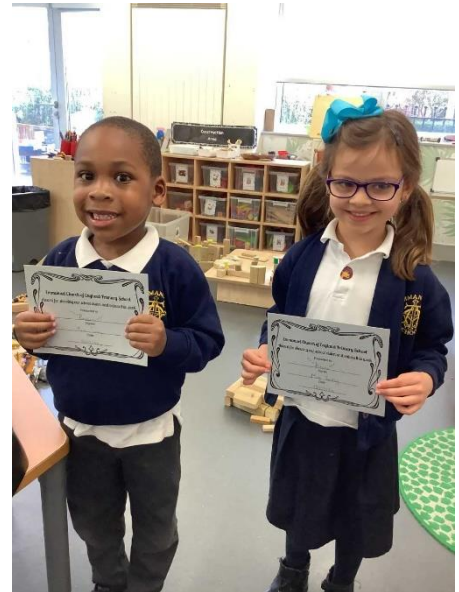

## School visionaries

Congratulations to these children for showing our school vision and values this week:  
**From Alpha to Omega - life in all its fullness. (John 10:10)**

Yannis and Lexie in Nursery  
Keira and Rashaan in Reception  
Alex and Lottie in Year 1  
Helena and Madeleine in Year 2  
Angelica and Kim Year 3  
Thejan and Lucie in Year 4  
Mia and Olivya in Year 5  
Leyla and Kai in Year 6

## Mad Science Assembly

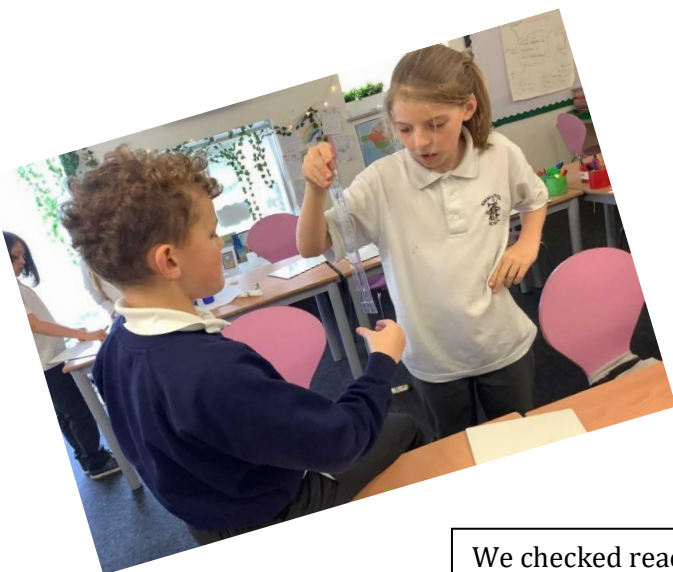

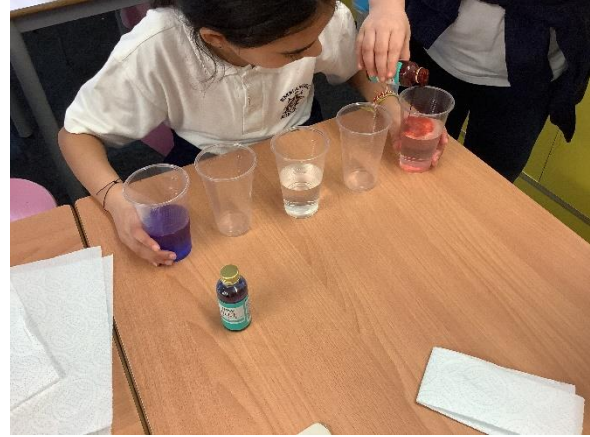

## Year 5 Science Day

We checked the impact of weight on the number of swings a pendulum makes.

We saw what happened with water absorption.

We checked reaction times over a period of time.

## Year 5 Trip to Hampstead School for a Science Workshop

On Thursday Year 6 took part in a fun taster physics lesson at Hampstead School where they built roller coasters out of various materials testing the speed, acceleration and forces!
