Celebrating the Coronation! By Yasmine and Pierre, Y2

We had a picnic for the Coronation of King Charles and we all helped out as each class did something for it. In year 2 we made bunting to help decorate the hall.

We all had crowns! It would have been so good if it was a real crown like King Charles!

Our favourite bit was when we ate - the sandwiches, cakes and strawberries were delicious.

We also liked having medals to take home.

Some things to look out for in this edition

A note from our Emmanuel Express Managers...

Thank you to all of our new team of Class Reps who are helping to write this newspaper. It's full of coronation articles, information on PGL (which we are very excited about!) and word searches and quizzes.

Happy reading!

From all the Express Team Managers - Susannah, Anna Mia, Joana and Eashan

The Royal family

by Amelia B, 6W

The King's coronation was on the 6th May 2023, taking over the long and glorious reign of Queen Elizabeth II. She reigned for a total of 70 years before passing away on the 8th September 2022. King Charles (the Queen's oldest son) is now ruling as head of state and is in charge of 56 independent countries as well. Next in line is Prince William, King Charles' oldest son, Prince George is next - William's oldest son - then his daughter Princess Charlotte. The Yoyal family has changed over the years. King Charles was married to Princess Diana before she was in a car crash and sadly died. Now he is married to Queen Camilla who is our Queen consort. Fun fact: did you know the king was at Eurovision!?

CORONATION RAP

by Christina and Joana, 6W

**The Royal Family is no
mystery**

**The crown gets passed
and makes history**

They sign loads of letters - sincerely the king.

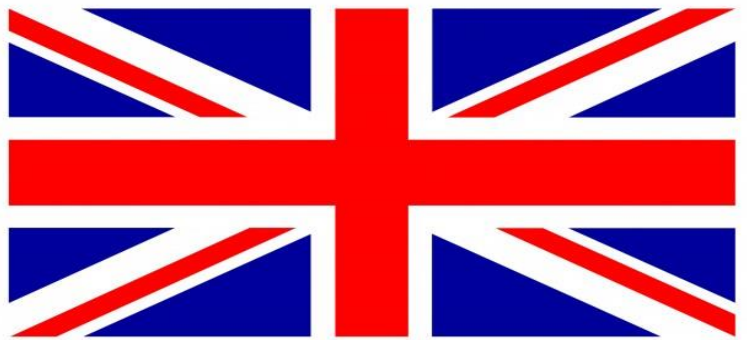

And we are thankful for all the kindness you bring

The King's so cool I'm saying mama mia

He walks in the room, bang onomatopoeia

This rap is made by Joana and Christina

You can't see me, I'm coming like John Cena

Coronation 2023

By Susannah and Grace, 6W

You probably have done something to celebrate King Charles III's coronation on the 6th of May. Whether it was coming to the coronation party at school or watching it on television, this memorable event was celebrated by over 20 million people. For the first time in 70 years a new monarch was crowned.

Did you know that 3 monarchs in English history did not have a coronation: Lady Jane Grey, Edward 8th and Edward 5th.

And because of Queen Elizabeth's 2nd coronation, Eurovision started.

The King played trumpet, piano and cello at school.

The late Queen's coronation happened on a Tuesday.

EUROVISION

By Susannah and Grace, 6W

Eurovision, another year of the historic song contest, this year in Liverpool. 26 countries competed in the finals to win tourism, bragging rights and a trophy. Sadly no money is given to the winner. This year Sweden won for the 6th time. The woman who performed and won, Loreen, sang 'Tattoo'.

The runners up were Finland in 2nd place with Cha cha cha, and Israel came 3rd with Unicorn.

This year for the first time the general public was able to vote by getting the Eurovision app.

Sadly, the UK didn't do very well with Mae Muller, 'I wrote a song' coming 25th.

Fun fact: Mae Muller went to Acland Burghley School.

by Andi and Dylan, 6W

We wrote these before we went to PGL but we will tell you all about it in the next edition after half term!

This year, the year 6 class will be going to PGL, Marchants Hill so we decided to ask the class about their thoughts and how they feel about going.

Things to look forward to:

Giovanna says: "I am quite excited about the amount of climbing activities that there are as I love climbing."

Miss Warrington says: "I'm looking forward to going on the giant swing and playing a game called survival with an absolutely amazing class." (That last part was definitely not made up by Dylan and I but we can assure you it is true).

Ethan says: "I am excited for the snack eating part as I have A LOT of snacks and I will be playing football in my room as I cannot live a day without touching a football and that is not sarcasm."

Miss Dobelli says: "I am excited for all the activities on each day that there is and how fun it will be with this class brought from heaven." (Yet again that last part was definitely not made by me and Dylan and that is 100% true).

Andi and Dylan AKA Allan say: "We are looking forward to finding out our rooms to hopefully be together and also we are looking forward to the activities including raft building and the night activities set for our class."

Activities at PGL

There are many different events at PGL and they are all so much fun. Here is a list of all the activities we will be doing:

Climbing

This will include Rock climbing and climbing objects around certain courses.

Raft building

Raft building is an activity that literally says it in the name, Raft Building, and is where you will be building a raft to cross a lake of some sort.

Fencing

Fencing is a sword fighting game where we have to hit the other opponent's chest but it is a sport without people getting so hurt with blood.

Tunnelling

Again it says it in the name and we will be crawling through many different tunnels.

Thank you for reading!!!!.

Why we are excited about PGL by Sophia T, 6W

The Giant swing

What is the giant swing? The giant swing is when you can go really high or not really high but most people go high.

Zipline

This is the one that I am looking forward to because when I will go on the zipline I might get wet.

7 things to pack for PGL

By Sophia C and Luci, 6W

We will all go to PGL one day and you will need to be prepared. Here is a list of 7 things that you will need to bring.

1. Water bottle

You will need to bring a water bottle to carry around with you during the day to keep you hydrated.

2. Snacks

You are allowed to bring snacks for the coach and for eating in your room. You can bring sweets, chocolate and savoury snacks just make sure they don't have nuts in them!

3. Clothes

You will need lots of clothes for the activities. Most of them require trousers/leggings and long sleeved tops. You will also need swimwear for the water activity(raft building.)

4. Disco!!!

You should bring an outfit and/or accessories for the PGL disco!!!

5. Games

You could bring games to play on the coach and in your room. These should be small packable games such as dobble card games and mini versions of classic games.

6. Sleeping bags and pillows

You will need a sleeping bag and a pillow to put on to your bed. We didn't need to bring them with us as unusually PGL provided our bedding.

7. Old shoes

You will need to bring a spare pair of old shoes as some activities could get muddy and/or wet.

Note: You CANNOT bring any electronics with you, although you can bring a disposable camera.

New game! Chaotic hide and tag

By Luken, Natalie, Sarup, Lara, Leo and Emma in Year 5

As a team, we have created a new game that can be played by any age group. It is made up from all our ideas which we put together. We hope you have fun playing it!

Where: muga

Unlimited or limited players: Unlimited

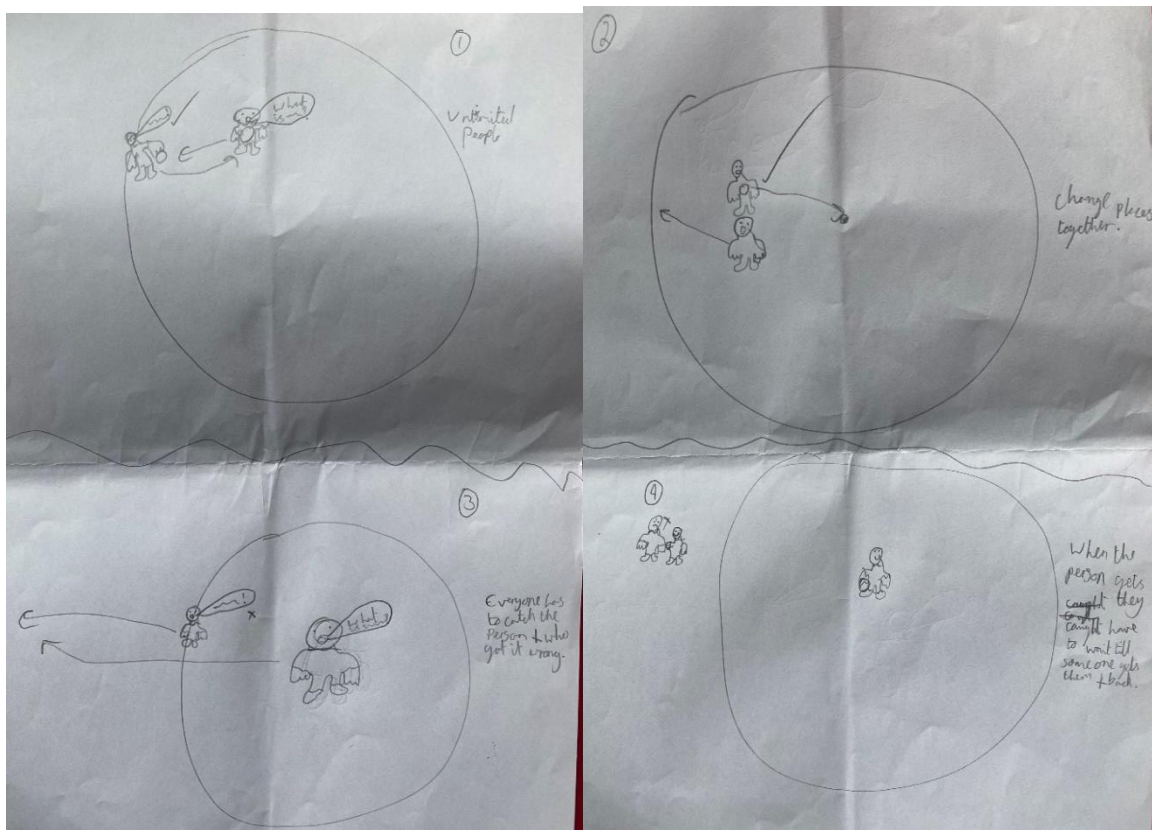

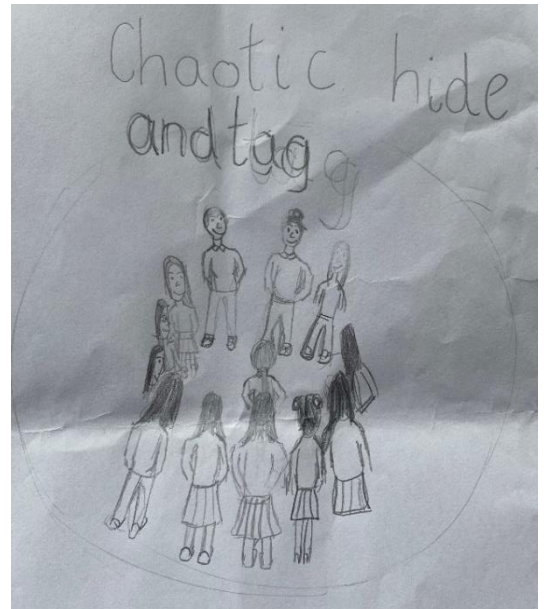

Things you need to use for the game: a ball

Rules

- There is a questioner in the middle
- You need at least 4 people in the circle
- You can only ask topic questions, not silly ones, that people will know the answers to
- Can only win a person back in to the game if you get a question right
- Anybody can play (all ages)
- You CAN NOT cheat!
- If you get tagged be HONEST!

How to play

At the start, one person (the questioner) goes in the middle of the circle and asks a question about a specific topic to the rest of the people in the circle. The questioner has a ball and throws it to a random person in the circle. If that person who gets the ball does not catch it, they are still safe. Once you catch the ball, the questioner asks you a question and you answer it. If you get the question wrong you have 10 seconds to run and hide. The rest of the people come and find you. When they find and tag you, you sit down in the circle and be out. If you get it right, you can get someone who was out before back in. You are safe too. You change the questioner after each round.

Tongue twisters, maths tricks and more!

By Reva, Giovanna and Anna Mia 6W.

Tongue twisters:

She sells sea shells on the seashore.

Red wellies yellow wellies.

Peter piper picked a peck of pickled peppers.

How much wood could a wood chuck chuck if a wood chuck could chuck wood?

Fred fed Ned bread, Ned fed Fred bread.

Long words

Pneumonoultramicroscopicsilicovolcanoconiosis

Antidisestablishmentarianism

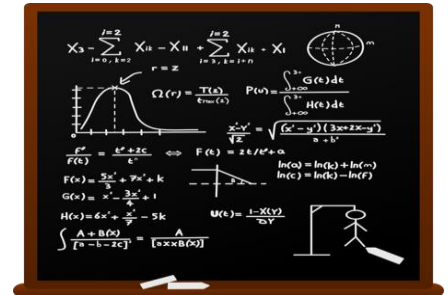

Floccinaucinihilipilification

Hippopotomonstrosesquippedaliophobia

Maths tricks

Think of a whole number below 10. Double it. Add 6. Halve it. Subtract your original number. Your answer is 3.

Choose any 3-digit number where the first and last digits differ by at least 2. Now reverse the number and subtract the smaller number from the bigger number. For example, if you had the number 782 and you reversed it, you would get 287, so you would minus 287 from 782 to get 495. Then reverse that and add your two new numbers. Your answer is 1089.

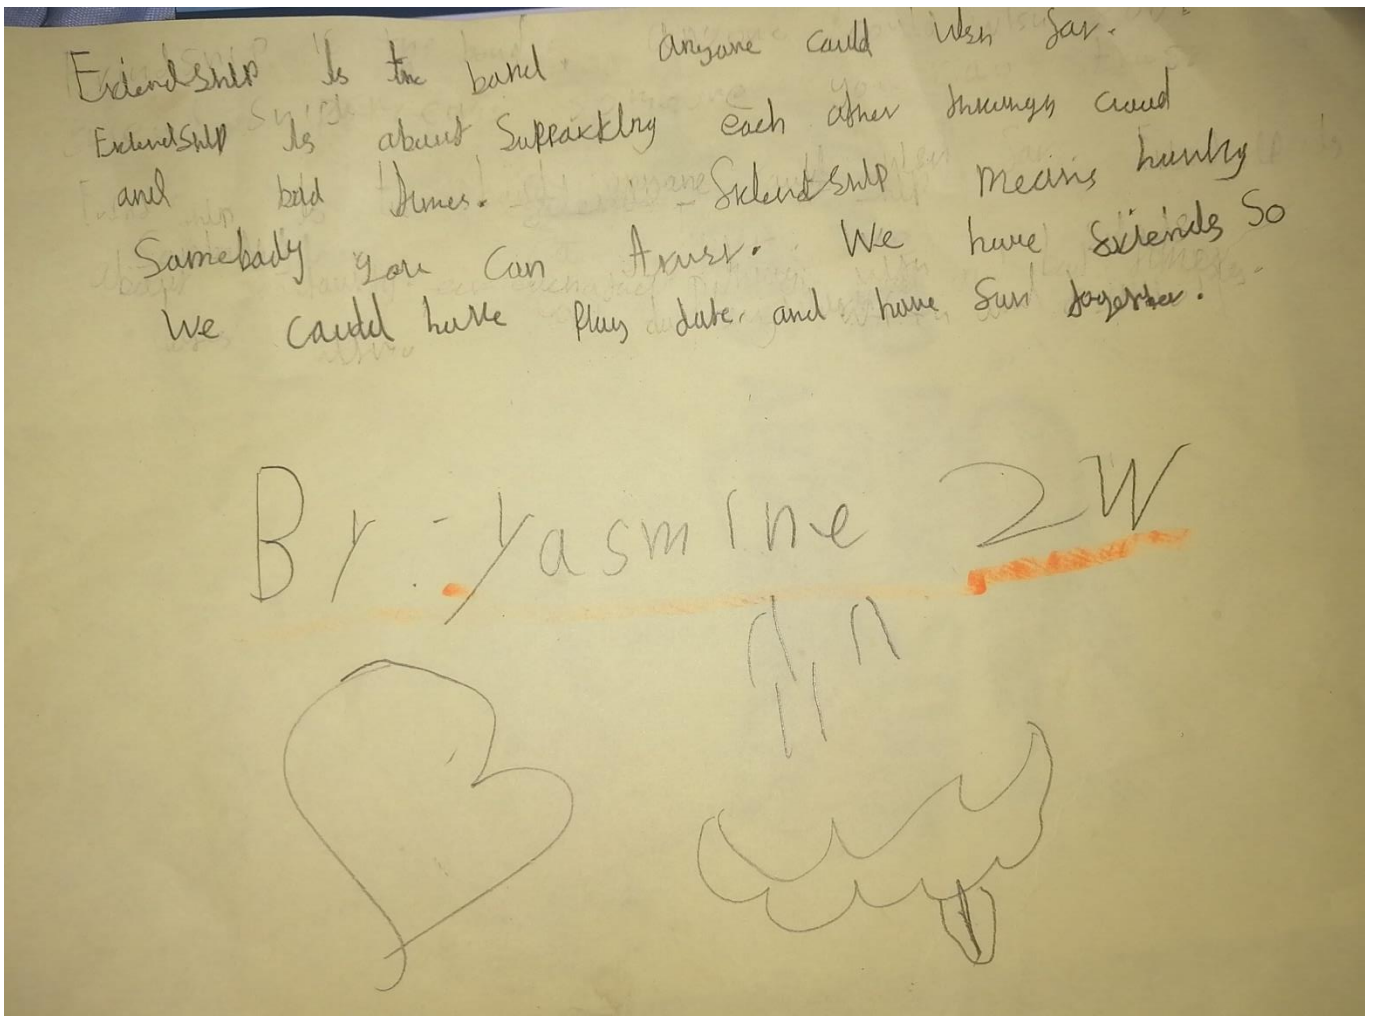

Ideas for half term if you get bored!

By Leigh and Lara, Y5

- Go to the park (like Fortune Green) with your family.
- Play board games or with your toys and dolls.
- Play with a pet if you have one.
- Create a treasure hunt for your family – include home-made prizes!
- Bake something with an adult - a cake or cupcakes.
- Make a movie (like with iMovie) for a brother/sister or friend.
- Write a letter to a friend.
- Play video games.
