General Information

- Attendance at school is mandatory and school begins at 8.50 each day.
- Illness – please ring the office first thing in the morning.
- Make sure you're signed up to ParentHub (download the app and our handle is @Emmanuel) to receive all communication from school, and do check the newsletter, sent via ParentHub and uploaded onto the school's website, so more in-depth updates.
- Medical needs – please keep the school updated through the year, especially if there have been any changes over the summer.
- Please inform us or the office if someone else is collecting your child.
- Please complete a 'request for leave' form if your child needs any time off school.

Emmanuel Church of England Primary

would like you to join their school on Parent Hub.

Just tap “Join a School ” in the app and enter the handle below...

@Emmanuel

The Parent Hub app is FREE to download and use.

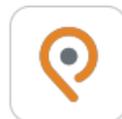

What is Parent Hub?

Parent Hub is a FREE app that helps keep you up to date with what's going on at school. You'll receive messages, pictures, documents and newsletters, all in one handy place.

Instructions for Parents

1. Download the Parent Hub app from your app store (iPhone or Android).
2. Create yourself an account.
3. Choose “Join a School” and enter the school handle (above).

Visit www.parenthub.co.uk to find out more

Regular Giving

- You will have seen the letter we sent out about Regular Giving on ParentHub. Please do consider giving regularly to the school – even by donating back what you save on school meals at £15 per week(term time) equates to £585 per child, which would mean £138,060 for the school!

If there is a concern...

- Children can use the 'Worry Box' or 'Let's Talk' with Mrs Watkins. Parents can also contact Mrs Watkins via email: wellbeing@emmanuel.camden.sch.uk
- Parents/Carers – please talk to the class teacher in the first instance. If you need a longer appointment, please arrange a meeting to see the class teacher by contacting the school office.

Snacks and Lunchtime

- All children are entitled to a free school meal this academic year, but you can provide a packed lunch if you wish. Children have to be one or the other for a half term. Please let the office know if you would like your child to swap for the next half term.
- Healthy snacks for playtime - no crisps, chocolate, nuts or sesame seeds. Please be aware of cereal bars that may contain nuts; we have several children in school who are highly allergic.
- Children should bring a water bottle to school.
- Please read our 'Packed Lunch and Food in School Policy', which is on our school website under 'Our School' and 'Policies'

Year 2 curriculum

- Our curriculum overview will be sent out on Friday, and you will receive one each term to see what we will be learning.
- This year, we will focus on reading fluency alongside comprehension skills. Reading happens every day at 8.50 so it's really important that the children are on time for school each day! Children will bring home colour banded books that they will change at least twice a week.
- In the Spring term, we will be learning times table facts in class but children can start practising these earlier on Times Tables Rock Stars.

Homework KS1

Homework is set on Google Classroom and children in Key Stage 1 will be given the following homework each week:

Reading for pleasure

Children should read for up to 20 minutes every day at home with a parent or carer. This should be recorded in the child's reading record **by the child** or the parent/carer. Comments are optional but are useful to the class teacher.

Reading Records will be collected by the class teacher once a week.

Spellings

Each half term, a list of all the spellings for the half term will be sent home, ready for a test each week. The importance is on children learning the spelling pattern or rule so that they can apply this into their writing. Year 1 spelling starts in the Summer term.

Number facts and multiplication tables

In Year 1, children will be expected to learn by memory addition and subtraction facts within 20. In Year 2, children will consolidate addition and subtraction facts in the Autumn term and will begin learning their 2s, 5s and 10s multiplication tables in Spring term.

Weekly homework

A workbook will be provided for your child to complete their homework in. A Maths or Spelling and Grammar activity will be sent home in alternate weeks; the page(s) to be completed will be detailed on the weekly Google Classroom post.
