

## Sports Premium-Impact of Funding 2021/2022

**Key indicator 1:** The engagement of all pupils in regular physical activity – Chief Medical Officer Guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.

### **Improve the quality of teaching spaces, provisions and resources for playground space**

- Replaced and replenished old resources and purchased new equipment to promote PA in the playground. This enabled children to have a wider range of activities, such as Uni Hockey, Dodgeball and tennis.
- Restocked PE equipment as needed for children to access the correct resources to maximise their learning experience and outcomes.
- Football goals were quality checked and refurbished.
- Children engaged in 'Race for Health' where they logged over 1,000,000 active minutes in the 3 weeks, resulting in 17,000 hours of activity. Emmanuel came a close 2nd in the race and logged 97,502 minutes.

**Key indicator 2:** The profile of PE and Sport being raised across the school as a tool for whole school improvement.

### **Raising the Emmanuel PE profile within the school and around the community**

- Sporting activities and match reports/results promoted through the weekly school newsletter to inform parents.
- The website was regularly updated to inform parents and the wider community of upcoming competitions and results.
- Website links to outside sports clubs provided for parents to give information on sporting activities and coaches available in the local area, For example; Cumberland Tennis, Quadkids, Hampstead Rugby Club, Highgate Harriers etc.
- Photos and picture collages of Emmanuel children participating in both competitions and Physical Education Lessons posted on the website to raise and promote the Emmanuel sport profile.
- Additional swimming caps were restocked with the Emmanuel logo. Children were provided with these when representing the school at the annual swimming competition. This promoted the school as well as the excitement for the children.

**Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport

### **To continue to increase high quality PE teaching and learning throughout whole school through team teaching.**

- Subject leader attended PE leadership course with other leaders in Camden to discuss curriculum planning and assessment, planning and evaluating the impact of the PE premium and to find out about the latest national and local news and guidance. This was vital in the way Emmanuel self-evaluated what provision we had in place to maintain high-quality PE teaching and learning. This will also be helpful for the subject leader when discussing assessment and evaluation with Ofsted.

**Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils

- Continued to monitor children's interest and implement new clubs where possible to include new sports and increase the opportunities for all children.
- Continued to audit children's sport interests. Identified that there was a broad range of clubs that children would be interested in, including Multi-Sport and Netball. These after school/ before school clubs were introduced throughout the year when location and staffing was available. These clubs were in high-demand and we subsequently have children on a waiting list.
- 130 sport club spaces were available for children.
- An average of 60% of Key stage 2 children participated in sport only before/after school clubs throughout the year.
- 35% of Pupil Premium children participated in these clubs in the Summer Term.
- 58% KS2 SEN involved in before/after school sports club

**Key indicator 5:** Increased participation in competitive sport

**Continue to increase provision for INTRA and INTER competition for children to take part in competitive sports**

- 75% of KS2 children represented Emmanuel in at least 1 inter-school competition against other Camden schools. Results as follow;
  - 1<sup>st</sup> place Camden cross country (small schools)
  - 1<sup>st</sup> place Camden swimming competition
  - 5<sup>th</sup> place Y3/4 football tournament
  - 5<sup>th</sup> place Camden football league- Boys
  - 9<sup>th</sup> place Camden football league- Girls

*\*Small school are categorised as one form entry schools*
