T.E.A.M - Together Everyone Achieves More

Friday 11th July 2014

Dear Parents/ Carers,

The children had a wonderful time at the disco on Monday. Many thanks to Mrs Vo-Ta, the PFE, the helpers on the day and Miss Crockard for organising this fun event for the whole school!

A big well done to the children in Garnet class this week for the exceptionally high quality homework based on what they have learnt during Y1.

End of year reports have gone home with the children today. I am so proud of all the children in Emmanuel as they have worked very hard all year. It was wonderful to read about their achievements and what they are looking forward to working on next year.

There are lots of events next week so please read the table at the end of the newsletter for important dates and times.

Have a lovely weekend.

Kind regards, Miss Fitzsimmons

Reading Volunteers

On behalf of the school I would like to say a **huge thank you** for the time the reading volunteers have dedicated this year to supporting the children of Emmanuel School on their reading journey. Some of our volunteers are from the local community and some are parents/carers.

In preparation for the start of next year we are gathering information on who would like to offer their skills in supporting our children with reading. If you are interested in committing some of your time each week to support with volunteer reading then speak to Miss Woolliss, our Literacy Leader and she will ask you for information regarding when you could offer your support. *Please note that you will be placed in a different class to the one your child or children are in.*

PFE- Second Hand Uniform Sale

As we are coming to the end of the year many of you may have items of uniform that are in good condition but do not fit your child any more. Next week, the PFE will leave a box in both the Alpha and Omega playground for you to drop off any items. The PFE will then organise the uniform ready for another second hand uniform sale when we return in the Autumn Term. Many thanks in advance.

Amazon Animals

Pupils in Y1 had a wonderful time on Monday learning about the animals that live in the rainforest as part of their topic work. The children learnt so much and were very excited to see and feel the snake as were the teachers!

Leavers & Prize Giving Service and Country Dancing-Thursday 17th July 9.15am

The Leavers and Prize Giving Service will be held on **Thursday 17th July in Emmanuel Church at 9.15am.** The whole school will attend. Children in Year 6 will share special memories from their time at Emmanuel and will each be given a special leavers prize. Two prizes per class will also be given to children for their attainment and effort this year.

After the service, we invite parents to come to the MUGA, at the Omega Building, to watch Quartz Class perform a traditional maypole dance and the other classes perform their class country dance. All welcome to come along! Please speak to a member of staff if you would like more information.

Children's Books-Tuesday 15th July-at pick up time

Parents/carers of children in Key Stage 1 & 2 are very welcome to pop into their child's class at home time on Tuesday to have a quick look at your child's books. The books will be on their table and your child can direct you. Please do not take the books home as the children are still using them.

Parents of children in Diamond and Ruby, the children's lovely portfolio's of work will also be available for you to look at if you wish but you will be given them on the last day of term. They are a wonderful record of your child's year and I am sure you will treasure them for many years!
