T.E.A.M - Together Everyone Achieves More

13th May 2016

Dear Parent/ Carer,

A huge well done to our Year 6 children for their dedication, resilience and supportive attitude during SAT's week. We are incredibly proud of them! The Y6 children enjoyed a celebratory picnic today and are very much looking forward to their School Journey on the week of 23rd May.

A reminder that if you have a query or concern related to your child, please do not hesitate in the first instance to have a chat with the class teacher. As you know I am on the gate most mornings and afternoons if any parent has a question.

Have a lovely weekend.

Kind regards, Miss Fitzsimmons

CLASS	PUNCTUALITY	ATTENDANCE
<i>For the week ending 6th May: Well done to Ruby class who will look after Pip the Hamster next week for the second week in a row! Well done to everyone- brilliant attendance results for last week.</i>		
Diamond	3	96.6
Ruby	0	99.5
Garnet	0	96.6
Emerald	2	97.5
Amber	0	97.5
Topaz	1	97.5
Sapphire	1	97.9
Quartz	0	97.9

Walk to School Week- Monday 16th May- Friday 20th May

Walking and scooting are two of the best ways pupils and staff can travel to and from school. We know our parents are keen to encourage healthy lifestyles, schools and local communities and children want the opportunity to walk to school with their friends.

Walking for the whole or part of the journey to school can help build a child's independence, road safety and social skills. We would like to encourage you to walk with your child to school during the national walk to school week! "

Happy Shoesday- Tuesday 17th May

During Walk to School Week, your child can also take part in Happy Shoesday, our one-day fundraising event.

On Tuesday 17th May, we're asking children and staff to wear their happiest shoes to school and donate £1 to Living Streets. The day raises much needed funds to support our work across the UK, tackling issues such as air pollution, road safety, isolation and health problems.

Will it be your wellies, slippers, boots, sandals, party shoes or trainers?!

Year 3 & 4 Football Tournament

On Tuesday afternoon Emmanuel Year 3 & Year 4 Football Team competed against 12 Camden schools at Parliament Hill Playing Fields in the annual Camden Cup. Kitted out and looking smart in the new Emmanuel football kit (thank you to the PFE), our children were very excited to get the games underway. With a huge amount of support from parents, both boys and girls teams represented Emmanuel school with immense pride and passion.

The girls showed great quality in the 5 games which they played, defending well and scoring goals but were unfortunate not to qualify for the finals. The girls top goal scorer was Emilie- well done!

The boys team secured qualification to the finals in impressive style and remain unbeaten with 5 captivating performances, including a dominant 2-0 victory over St Pauls in which Antoine scored a long distance rocket from way out, leaving the goalkeeper no chance. They also put in a fearless performance against current Cup holders New End. We took the lead early on when Conor S scored a tight angled free kick, which took everyone by surprise. Given the quality of the opposition, the boys looked in their element leading, until New End snatched a draw with a late equaliser. The boys top goal scorer was Conor S-well done!

Congratulations to both the boys and the girls team for their great efforts. We are all very proud of them and wish the boys the best of luck in next week's final!

Camden Learning Centre (CLC) Computing Workshops

Emerald class had a programming workshop with Anita from the CLC. The children used Scratch Jr on the iPads and made their own transforming character. They learnt how to use code to move characters and change settings. *'It was SO much fun!' Aidan*

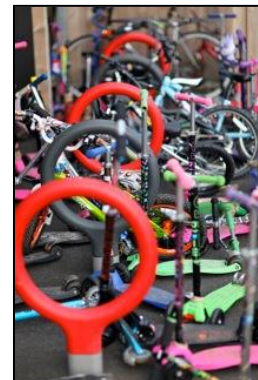

On Friday, Amber class were joined by the Camden Learning Centre. Children were developing their coding skills using Scratch on the iPads. In the session children were coding to creating a series of animations where characters were able to move and talk to each other. We definitely have some talented programmers for the future!

Scooters

It has come to our attention that there has been some confusion over scooters. Please check at the end of the day that you have the correct scooter. Can everyone also make sure their child's name is clearly labelled. *Scooters are left at your discretion.*

PFE

Next PFE Meeting

Friday 20th May, 9am - 10am in the Alpha Building - All welcome.

International Evening

Wednesday 29th June, 6pm - 8pm. More details to follow in the coming weeks.

Parent Workshops

Friday 27th May at 9m in the Alpha Building

Supporting your child with reading. EYFS parents. Session run by Miss Crockard.

Celebration Assembly

	13/05/16	
	Name	Reason
Diamond	Don	For teaching his friends how to read some words.
	Caitlin	For great progress in her writing and letter formation.
Ruby	Kieran	For always taking an enthusiastic approach towards his learning.
	Mia	For being a kind and considerate friend.
Garnet	Jasper	For having a brilliant week and making the right choices during playtime and learning time.
	Cameron	For his perseverance with writing and for producing fantastic sentences in his sentence book.
Emerald	Mia S	For great use of scientific language in her plant diary.
	Quinn	For great punctuation and using paragraphs in his transformation story.
Topaz	Nikan	For his excellent progress in writing this term. Your transformation text was creative and engaging.
	Lameese	For her excellent attitude, focus and contribution in all lessons.
Amber	Klea	For showing great perseverance whilst we were doing multiplication in maths.
	Rezart	For using his times tables facts to multiply larger numbers accurately.
Sapphire	Zoe	For showing great perseverance in achieving her bronze times tables badge.
	Conor C	For showing a real improvement in his contributions in guided reading sessions.
Quartz	Fidel	For his amazing attitude and effort during the SATs this week.
	Jamie S	For his dedication and hard work in the explorers topic this week.
