Quartz Trip to Senate House Library

Quartz class took part in an acting master class this week at the Senate House Library run by the To Bee Theatre Company. The children thoroughly enjoyed acting out the first scene of the well-known play 'Romeo and Juliet'. Some of the children were the market stall holders whilst the others were members of the Capulets or Montagues. With the help of the professionals, the children really got into their characters. The next activity involved the children writing the prequel to the scene of the Capulets and Montagues fighting in Verona. They came up with a really comical idea involving fist pumps, a garden party and a poisonous cake. Quartz then worked in groups to act out a different scene to retell the story so far and the To Bee Theatre Company will take their ideas and incorporate this into the performance we will go and watch on Wednesday 8th June.

Family FUNharmonics concert – Sunday 5th June

Hear the London Philharmonic Orchestra in full flight playing selections of their favourite pieces. These well-loved concerts are one-hour long, offering engaging and fun introductions to orchestral music. There is also a performance on the same day for children aged 2-5. You can also make the concert into a full day's event for all the family with free concert activities: have a go on a tuba or a harp (or any other instrument); get involved in hands-on workshops; and join the festival atmosphere with post-concert performances. Check out their website www.lpo.org.uk for further information.

Year 3 & 4 Football

We are so proud of our Year 3/ 4 Boys Football Team for all their efforts on Tuesday. The evening didn't start well with Tom receiving a bump to the head and our lead goal keeper, Lucas, having to go home ill. However, Bailey stepped in at the last minute and did an excellent job in goal. The team made it through to the semi-final, which then went to extra time, and with no golden goal it went to penalties! It was a nail biting end and unfortunately we were pipped to the post by St Aloysius Juniors. There was a great team spirit and the boys thoroughly enjoyed the experience. A big well done to Mr Gerardo for his superb coaching and to the parents who came along to watch and were on hand with drinks and snacks. We look forward to the next competition!

Manor School Choir Visit

Our choir enjoyed a fantastic trip to Manor School this week to sing with their choir. The staff at West Hampstead Overground station were so impressed with the choir's behaviour that they let them all have a turn doing the next train announcement over the station tannoy! When we arrived at Manor School we started our singing morning with some partner games. This gave us a chance to learn each other's names. Manor School choir had some amazing soloists that performed for us and then each choir had a turn performing to the other and also together. Once our singing was finished, we had an opportunity to play in their playground. It was amazing! They have a new playground with lots of exciting equipment that the Manor School children showed us how to use. We are really looking forward to when they visit us here at Emmanuel next year!
