

## Sports premium funding impact 2015/2016:

### After/before school sports clubs:

- Specific equipment was ordered/replenished for children, teachers and coaches to facilitate coaching, which allowed for high quality provision.
- Maintained all 8 sports clubs on offer for Emmanuel children and created 3 additional sports clubs which were generated through children's interests; *Pre sports premium funding 2012/13, we only had 3 sports clubs available for Emmanuel children.*
- Number of children in an after school sports clubs maintained at 65% throughout the school year. *This has increased 26% since sports premium funding was introduced.*
- 62% of SEN children participated in after school sports club; *Increased 30% from 2013/14.*
- 67% of Pupil Premium children were involved in an after school sports club; *Increased 15% from 2013/14.*
- Additional hours for staff were funded to provide for lunchtime and after school activities, which allowed for children to participate and compete in after school activities (adult to child ratio, first aiders, specialist sport teachers etc.)

### Increasing extra-curricular participation:

- Children had more opportunities to compete with external (Inter) schools within Camden; Emmanuel had an increase of 500% (*From 3 to 15 events*) in participating and competing in Camden Primary Sports since 2013/14.
- Additional hours were funded to provide for staffing outside of the school day in order for the school to participate/compete in events.

### Staff attending courses

- Subject leader attended PE subject leader's course where he liaised/networked with other leaders. Inter school links were established as well as funding/subject knowledge been gained; through this inter-school games were provided for children.
- Subject leader worked with other Camden Active Schools leaders to develop knowledge to ensure high quality provision in Sport at Emmanuel. This included working with leaders in Camden Sport to provide knowledge for curriculum planning and mapping and schemes of work to support colleagues to teach PE, whilst also supporting the Camden Schools Sports Association primary schools competition calendar.
- Football coach completed the Football Association Level 1 coaching certificate. This provided more experience for the coach and new coaching ideas to deliver to children in Football club.

### Website development

- Sporting activities and match reports/results were promoted on school website to inform parents and the wider community.
- Links to outside sports clubs were provided for parents to give information on sporting activities and coaches available in the local area, For example; *Quadkids, Hampstead Rugby Club, Highgate Harriers etc.*
- Photos and picture collages of Emmanuel children participating in both competitions and Physical Education Lessons were posted on the website to raise and promote the Emmanuel sport profile.

### Equipment/resources ordered

- Equipment ordered to promote physical activity in the playground and for before- and after-school clubs to allow children to maximise their daily physical activity expenditure.
- Equipment ordered to support staff to teach effective and engaging lessons to children.

### Subject leader time

- Time was allocated for subject leader to facilitate and to promote/establish and raise the Physical Education profile in Emmanuel school.

### Sports Day

- Funding provided the opportunity for children to participate in a sports day at the Parliament Hill athletics track, which gave children a real sporting experience.
- Medals and memorabilia were provided to children to promote participation and competitive spirit at Emmanuel Sports day.
- Total £8,895
