## PROGRESS

### Progress from end of Key Stage 1 to end of Key Stage 2

Progress scores have been worked out using DfE technical guidance. This is based on KS1 Average Point Score (*taking an average of Reading, Writing and Maths*). Pupils are allocated to prior attainment groupings, and each of these has a different KS2 expectation. This is then compared to the actual score / result achieved\*.

\*KS2 Reading and Maths are based on the scaled scores.

\*KS2 Writing is based on teacher assessment.

### Interpreting the school's progress score

- A score of 0 means pupils in the school, on average, do about as well at KS2 as those with similar prior attainment nationally.
- A positive score means pupils in the school, on average, do better at KS2 as those with similar prior attainment nationally.
- A negative score means pupils in the school, on average, do worse at KS2 as those with similar prior attainment nationally.

### The school's progress results are based on only 12 pupils

Reading progress score	1.85 Progress <b>broadly in line</b> with similar pupils nationally ( similar pupils = pupils with the same KS1 outcome)
Writing progress score	-3.06 Progress <b>broadly in line</b> with similar pupils nationally ( similar pupils = pupils with the same KS1 outcome)
Maths progress score	2.83 Progress <b>broadly in line</b> with similar pupils nationally ( similar pupils = pupils with the same KS1 outcome)
