Emmanuel Church of England School

Dear Parents/Carers November 2018

Coding Club

We are very excited to announce that this term Coding Club will be starting! This will be a club aimed at children in Years 3 to 6 and it will give them a chance to explore writing their own computer code to create a range of online activities, whilst developing their logical and computational thinking.

Coding Club will begin on **Monday 14th January 2019**. It will run every Monday throughout the Spring Term. The final date will be **on Monday 25th March 2019**. **There are 20 places which will be allocated on a first come first served basis.**

The club runs on Monday afternoon at 3.30-4.30pm. **Children must be collected from school at 4.30pm promptly. Children will not be walked up to Fortune Green Playcentre after the club.**

To sign up for the club, please visit https://emmanuelce.parentseveningsystem.co.uk You will need to log in with the information that is requested on the front page. The booking facility will be open from **6.00pm on Thursday 22nd November.** The closing date for registration is **6.00pm on Tuesday 4th December** but popular clubs are likely to fill up before then.

The cost of the club for this term will be £30. Please **do not send in any money at this stage**. If your child is allocated a place, we will notify you and you should make full payment by return otherwise we will offer the place to the next child on the waiting list. We do expect children to stick to clubs, therefore, this subscription fee is non-refundable.

Extended school activities are run for the benefit and enjoyment of all children, therefore, any child who regularly does not comply with the teacher will be asked to leave the club.

In the event of regular non-attendance, the place may be given to someone else.

Yours sincerely

Miss C Burns
Extended Schools co-ordinator
