Packed Lunch and Food in School Policy

Purpose of this policy:

To ensure that all food brought from home and consumed in school (or on school trips) provide pupils with healthy and nutritious food that is similar to food served in schools, which is regulated by national standards.

This policy aims to give clear guidance to parents/carers and pupils on food that is allowed in school.

We believe that healthy packed lunches and snacks can contribute to the health of children and young people and needs to be consistent with the nutritional standards provided by school meals.

Why was this policy formulated?

- To make a positive contribution to children's health and Healthy School Status.
- To promote consistency between food provided by parents/carers and food provided by schools, which must adhere to national standards set by the government.

Packed lunches and snacks should include:

Foods that should be included in every packed lunch:	
✓ A starchy food	Such as bread, pasta, rice, couscous, noodles, potatoes or chapattis. Choose wholegrain varieties where possible.
✓ Fruit	At least one portion of fruit every day.
✓ Vegetables	At least one portion of vegetables every day.
✓ Beans, pulses, fish, eggs, meat and other proteins	Choose lean options where possible and avoid processed items such as sausage rolls and 'Peperami'. Include oily fish such as salmon, mackerel, kippers, and sardines at least once every three weeks .
✓ Dairy foods and alternatives	Such as milk, cheese, yoghurt, and unsweetened non-dairy products (e.g. soya/coconut milk or yoghurt). Opt for cheeses which are lower in fat and not highly processed and choose plain, low fat natural or Greek yoghurts instead of flavored if possible. (This does not include Dairylea Lunchables or similar products)
✓ A drink	Water is always the best choice of drink for children. Pure fruit juice, semi-skimmed or skimmed milk, smoothies, and low-fat, low-sugar yoghurt or milk drinks can be included also.
✓ Pudding	If a pudding is included we ask that it is in line with the fruit based pudding that children with school meals receive. Examples are fruit salad, tinned fruit with yoghurt or custard, fruity rice pudding, or fruit based crumbles. We also allow Pretzels, crackers and cheese, and vegetable or bread sticks with a dip
✓ Cereal bars	We ask that parents and carers vigilantly check the ingredients and ensure it is a nut-free bar

Packed lunches and snacks should not include: (these are all foods we have already asked children not to bring to school).

- Drinks that are high in sugar such as squash or fizzy drinks (including Ribena, Capri Sun and Fruit Shoot).
- Confectionery such as chocolate bars; chocolate-coated biscuits, wafers or rice cakes; sweets and chewing gum.
- Jam or chocolate spread as a sandwich filling.
- All types of crisps or other salted/baked snacks (This includes mini-cheddar snacks)
- Meat/vegetable products that are high in fat and salt, such as sausage rolls, corned beef, individual pies, samosas or sausages/chipolatas.
- Nut or nut products e.g. pesto (although they can be very healthy) because of the danger to other children with allergies.

Special diets and allergies

The school recognises that some pupils may require special diets that do not allow for the standards to be met exactly. In this case, parents and carers are urged to be responsible in ensuring that packed lunches and snacks are as healthy as possible. For these reasons pupils are also not permitted to swap food items.

Packed Lunch Containers

- Pupils and parents/carers are responsible for providing a packed lunch container where food items can be stored securely and appropriately until the lunchtime period.
- Pupils and parents/carers are encouraged to bring packed lunches in reusable plastic containers, rather than disposable plastic bags and bottles.
- Foods are at risk of bad bacteria if they are prepared and stored in warm temperatures, so it is advised that an ice pack is included in the food container.

Monitoring packed lunches and snacks

To promote healthy eating, we will regularly monitor the content of packed lunches and snacks and involve pupils and staff. We will talk to parents and carers where necessary and offer advice and guidance on bringing healthy packed lunches and snacks to school. If children consistently bring packed lunches and snacks that do not adhere to these guidelines, a letter will be sent home with a copy of this policy.
