Friday 27th March 2020

Dear 5W Dream Team,

How are you all? I hope you are enjoying the beautiful Spring weather we've had recently. It is a strange time for all of us...one that will go down in history, so I am going to start a little daily journal of my thoughts and activities during self-solation. Maybe you could do that too?

What I am appreciating most is things I never normally have time for like cleaning my flat, cooking and going for walks! I also love running up to the top of Primrose Hill to see my favourite view of the London landscape. Here is a photo I took yesterday just before sunset. Has anyone else been enjoying Joe Wicks' P.E. lessons on YouTube at 9am? Definitely worth starting your day with some physical activity! I am also still spending some time at school with the lovely Emmanuel children who are having to come in to school. I'm missing 5W though...school is not the same without you all here!

There is plenty to still be grateful for and another happy thought is to think about how the earth is healing and recovering with less travel, pollution and human activity 😊

I don't know about you, but the songs from 'Good News' keep popping into my head at all sorts of random times...I hope you are still practising these...singing is so good for you and your well-being! On that note, don't forget to get your brass instruments out and revise what we learnt in the last lesson.

I hope you have now finished your 'Big Cat' poem. What did you enjoy or find most difficult about writing a poem? Have you read it aloud to anyone yet?

It is great to see that so many of you have been engaged with Times Table Rock Stars...no doubt that will improve your multiplication and division skills. Congratulations to those of you who are now **rock stars** or even **rock legends** already, that's so impressive! We need you all on board to try and get ahead of Year 4 and 6 - **you can do it 5W!**

Next week in Literacy, you should be looking at Kenwood House and designing information leaflets for visitors. You can also look at the sheet in your Homework book if this helps you to describe some of the things we might have seen on our visit. Your homework book also contains quite a lot of useful worksheets to remind you about things we have covered in English and Maths this school year. I hope you're also helping your parents with the cooking, cleaning and getting stuck into a good book!

It was great to see an update from Jasmine-Rose's home learning this week and also to get an email from Edon via the office. There are opportunities for learning everywhere!

Remember, if you are feeling worried or need to talk to someone while school is closed, you can talk to a trusted adult at home or you can drop Mrs Watkins an email at wellbeing@emmanuel.camden.sch.uk Childline also have lots of information that you might find useful. Click on the links below.

- information about [Coronavirus](#)
- [Calm Zone](#) - activities to help let go of stress
- [games](#) to help take your mind off things
- [Childline Kids](#), a website for under 12s.
- Childline can also give confidential help and advice. Calls to 0800 1111 are free or children can [get support online](#).

Well done to those of you who have already completed many MyMaths activities! Next week, I will be logging on to MyMaths and leaving a comment for you on how you are doing so look out for that!

Miss Fitzsimmons has asked your parents if they would like to send in any tips or funny stories from this week whilst you are learning at home. Speak to your parents if you would like to do this for next week's newsletter.

I will be sending a Class Newsletter every Friday. In the meantime, remember our school values and look after your parents as they try hard to work and be teachers too!
