The Pupil Premium is a sum of money in the school's budget. It is allocated according to the number of children who are looked after or eligible for free school meals. It is intended to support schools in narrowing the gaps in attainment between different groups of pupils.

Pupil Premium Strategy 2019 – 2020

The school strongly believes that in order to raise achievement the needs of the **'whole child'** must be addressed. Therefore it allocates its Pupil Premium spend across three distinct categories:

- **Academic**
- **Enrichment and Engagement**
- **Well Being**

In each category spending is allocated based on areas of need identified and evidence of impact both within school and from a wider research pool (Education Endowment Foundation, for example.) Additional support for pupil premium children is allocated throughout the academic year through small group teaching and individual support, led by the class teacher or a teaching and learning assistant.
